Design and production of complete room equipment

Klaro s.r.o. offers complete sets of furniture, carts, and other equipment for nurses' stations, doctors' offices, rooms, and other spaces in healthcare and social care facilities. We create designs individually, according to your specifications, and we can customize individual pieces of equipment in terms of color, structural requirements (e.g., load capacity), and materials used.

Klaro holds the following certificates:

Certificate of implementation and use of a quality management system in the field of manufacturing medical, hotel, cleaning, and handling equipment in accordance with the ČSN EN ISO 9001:2016 standard. Certificate of implementation and use of an environmental management system in the field of manufacturing medical, hotel, cleaning, and handling equipment in accordance with the ČSN EN ISO 14001:2016 standard.
